

Artis®

**PYREX®**

The Artis logo is a stylized, cursive script wordmark in white, enclosed within a thin white square border. It is positioned in the upper right quadrant of the advertisement, above the Pyrex logo.The Pyrex logo consists of the word "PYREX" in a bold, white, sans-serif font, set against a red rectangular background with rounded corners. It is located in the upper right section of the advertisement, below the Artis logo.

Founded in 1915, the Pyrex® brand has always anticipated the latest trends in cookware. Throughout the years Pyrex® has come up with new ideas that offer a complete solution to all cookware requirements, including preparation, cooking, freezing, storing and presentation at the table.

By creating revolutionary products, Pyrex® has become the ideal Chefs partner from kitchen to table. Being oven safe, dishwasher safe and stored in the fridge or freezer. Made from a durable healthy, sustainable thermic shock material and having a ten year guarantee.
