Onis

NEW BRAND. SAME GLASS.

Onis, the new brand for Libbey designed product made in Europe.

The majority of Libbey products, available in the UK are currently made in Europe. During 2023, European manufactured product will gradually transition to the new Onis brand.

This will include Onis rebranded product and packaging.

To aid this transition all products have been dual coded in the catalogue.

✓ If the rim of any product covered by the Onis Rim Guarantee chips, LCG will replace or refund the price of the glass. The product must have been purchased via Artis in the UK and returned, through your distributor, to Artis, to qualify for the Guarantee. Breakages are not covered by this Guarantee.

WHAT SETS Onis APART

EXTRA
TOUGHENED

✗ An additional heat treatment process targeted at the rim of the stemware and tumbler products. Increasing the resistance to thermal and mechanical shock resulting in a very strong glass with prolonged life in service.

FINESSE LASER
CUT RIM

☀ An after process which results in a very fine polished rim offering the ultimate lip feel and pure taste experience.

STACKABLE

▼ Designed to achieve ultimate stackability delivering optimum space saving behind the bar and a longer life in service. The stacking ring feature supports the stack rather than the rim and helps prevent damage.

SENSORY
ENHANCER

🌀 Developed to maximise the aroma and flavour for an enhanced tasting experience.

New Era

"The finishing touch"
