Dettol Tork Alcohol Hand Sanitiser Gel

Dettol Tork Alcohol Hand Sanitiser Gel with 70% (w/w) denatured alcohol effectively kills microorganisms to help prevent the spread of infections. Effective against a variety of organisms, including enveloped virus. Ideal for everyday hand hygiene. The formula contains moisturising ingredients for a gentle and pleasant feel on hands. Suitable for all Tork Skincare Dispensers (S4).

- Kills 99.9% of bacteria and enveloped viruses
- Use biocides safely. Always read the label and product information before use.
- Conforms with EN 1500 and EN 14476 (all enveloped viruses, such as HIV, SARS Corona, HBV, HCV, influenza H1N1 and H5N1, etc.)
- Moisturising ingredients encourage good hand hygiene behaviour
- Reduce time for cleaning staff: Certified effortless refilling * in less than 10 sec **
- Helps secure good hygiene: Factory-sealed bottle with a new pump for every refill helps reduce risk of contamination and protect the formulations all the way to the user.
- Reduce waste: Bottle is collapsible, leading to 70% less waste volume*
- For hazard and precaution information, please refer to the Safety Data Sheet.

Reduce time for cleaning staff: Certified effortless refilling * in less than 10 sec **

* Certified by the Swedish Rheumatism association, tested according to *The Design for All Test*, published in the *Swedish Design Research Journal*, 2011. **Based on internal panel test soap refilling time.

Reduce waste: Bottle is collapsible, leading to 70% less waste volume*

*Based on Essity test

Dettol Tork Alcohol Hand Sanitiser Gel

Technical data

Ingredients	<p>Active ingredient Ethanol 64g/100g Other ingredients Alcohol Denat, Aqua, Glycerin, PVM/MA Decadiene cross-polymer, Aminomethyl propanol, T-butyl alcohol, Isopropanol (6.4g/100g)</p>
pH	~7.5
Method Of Use	Ensure hands are clean and dry before use. For general hygiene: Apply 1-2 doses (entire hand should be wetted) and rub well until dry (15-30 seconds). For disinfection according to EN1500: Apply enough product to wet all parts of the hands for 60 seconds. Rub until dry
Shelf Life	Expiration date of 36 months after production is printed on inner packaging. Store in original container. Protect product from excessive sunlight. Avoid temperature extremes and store between 4°C and 30°C.
Handling Instructions	Use disinfectants safely. Always read the label and product information before use. Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. For more information, please refer to the Safety Data Sheet. May discolor certain fabrics or surfaces.
Regulatory Compliance	The biocide products commercialized under the Tork brand are in compliance with the Biocidal Product Regulation (EU) No 528/2012 and are approved for human hygiene purposes. The products are registered and authorized in the respective countries, where the products are sold. The products are in conformity with the REACH regulation (EC) No. 1907/2006 and its amendments. All non-biocidal ingredients are in compliance with the Cosmetic Regulation (EC) No. 1223/2009 and are considered as safe for human health when used under normal or reasonably foreseeable conditions. The biocide products are manufactured in accordance with good manufacturing practices (GMPs).
Registrations Biocides	Ireland (IE) PCS 101181 United Kingdom (UK)
Certification	ISO 22716 (Good Manufacturing Practice); ISO 9001 (Quality Management System) & 14001 (Environmental Management)
Safety Data Sheet	For safe use and handling of the products, please follow the recommendations on the Safety Data Sheets. These are available on the Tork website in all required local versions according to legal requirements for each region (e.g. according to CLP for Europe).
Trade marks	Dettol and Dettol logo are trade marks of the Reckitt group of companies
