High consumption of toilet paper leads to regular refills, costing you time and money in an area that is difficult to monitor and control. Single sheet dispensing means rolls last longer, so that you refill less often and can prioritise other tasks. Completely enclosed dispensers also mean that users only touch the paper they use, making your washroom more hygienic.

### Dispensers

#### Reduce spend, improve hygiene

Tork SmartOne® toilet roll is a clever system which dispenses one sheet at a time, helping to reduce tissue consumption by up to 40%\*.

Very high capacity for easy maintenance and fewer refills

Rolls printed with the Tork logo and leaf design as your guarantee of a Tork quality product
