

Not just fresh. Constantly fresh.

Tork Constant Air Freshener makes refilling easy and cleaning more efficient

7 out of 10 customers

say **long-lasting performance** is the most important factor when choosing an air freshener¹

Tork Constant Air Freshener uses unique distribution technology and carefully selected scents to neutralise odours for **up to 90 days between refills.**

¹ Quantitative market research, Dec 2022, B2B International with 120+ respondents in several countries

It's easy to keep your washrooms constantly fresh

Easy to maintain and refill

Improved efficiency for cleaning staff:

- ✓ Certified Easy to use for effortless refilling²
- ✓ Flexible placement at reachable height for easy refilling
- ✓ Plan refills and battery changes into normal cleaning routine, with no additional service costs
-  Compatible with Tork Vision Cleaning, so you know when and where to refill

Constant freshness

Designed to deliver a constant, pleasant washroom experience:

- ✓ No spray-and-fade effect due to unique distribution technology³
- ✓ Evenly and continuously distributed scent for up to 90 days between refills
- ✓ Three carefully selected scents that eliminate bad odours, rather than just masking them
